**HILLSBORO WATER IS SAFE TO DRINK.**

Hillsboro Water Department customers are not affected by the Boil Water Notice released by the Portland Water Bureau (PWB) on Saturday, July 21, 2012. Hillsboro's water is safe to drink because Hillsboro customers receive all of their water from the Joint Water Commission (JWC) Treatment Plant. For more information on the treatment process, please visit the JWC website at [www.jwcwater.org](http://www.jwcwater.org).
